Find Your Artistic Voice
The Essential Guide to Working Your Creative Magic
Lisa Congdon

Not only is everyone creative, everyone has their own unique creative voice • This book will help readers find theirs!

An artist's unique voice is their calling card. It's what makes each of their works vital and particular. But discovering that unique artistic voice requires effort and persistence.

Bestselling author, artist, and illustrator Lisa Congdon brings her expertise to the table in this guide to the process of artistic self-discovery. Drawing advice from Congdon herself and interviewees with a roster of established artists, illustrators, and creatives, this unorthodox book will teach readers to identify and nurture their own unique identities, navigate the influence of artists they admire, push through fear and insecurity, and appreciate the value of their unique personal journeys.

Author Details
Artist and illustrator Lisa Congdon is best known for her colorful hand-drawn, paintings, drawings, and pattern design. Her work has been featured in numerous publications and online, including *TIME*, *Marie Claire*, *Living*, *Design*, *NYC*, *Illustration*, *Artforum*, *The Atlantic*, and more. She leads a daily blog about her art, work, and inspirations called *Teddy is Going to be Awesome*. Her lines in *Stripped*, *Crystals*, with her partner, her notebooks, and her cats.

Key Information

- While there are many books on how to find your voice as a writer, there is no comprehensive handbook for artists on how to develop a unique visual vocabulary • yet this is one of the things successful artists get asked about the most. So why are creative books continue to fly off the shelves, and with it distinctive look and a rich technical platform, **Find Your Artistic Voice** stands out from the crowd.
- With an increasing wealth of resources available on and offline, it's getting easier and easier to become a self-taught artist. Social media often helps you get the most out of online classes and tutorials (and you have textbooks and books, of course, after all) on both the business and practice of art. This book is for anyone who's ever finished a YouTube tutorial or a guided creativity journal and thought, "OK, great! But how do I make my unique voice?"
- Lisa Congdon's audience of devoted fans continues to grow, as evidenced by her skyrocketing social media stats (1.50k+ Instagram followers, 50k Facebook followers, 2.5k Twitter followers) and awesome book sales.
